

# Sanjog Sharma

Computer Engineering Student

## Profile

Passionate about technology and building innovative solutions. Uncovering the realm of computer engineering, algorithms, and new technologies.

## Contact

-  9742886222
-  sharmasanjog2005@gmail.com
-  www.sanjogsharma.com.np
-  Musikot 05, Rukum(West)

## Education

**Bachelor of  
Computer Engineering**  
Pokhara University(NCIT)  
2024 - 2028

**National Eximination Board**  
Prasadi Academy  
2021 - 2023

## Skills

**Programming languages:**

**Web Development:**

**Tools and Technology:**

## Languages

**Nepali, English,  
Hindi, German**

## Projects

- 2024 - Nov** | **Emotion Detection & Stress Relief App**  
AI-driven mental health application integrating chatbots, emotion analysis, and interactive stress-relief tools.
- 2025 - Jan** | **Smart Farming System**  
IoT-based soil moisture monitoring system using Arduino and Python, helping farmers make data-driven irrigation decisions.
- 2025 - Sep** | **Personal Portfolio Website**  
Built using React.js and Tailwind CSS with dynamic sections, animations, and project showcases.

## Certifications & Achievements

- **Hp Tech Web Development Bootcamp -**
- **Noskode 5.0 / Software Freedom Day 2024**
- **LOCUS 2025 Hardware Fellowship**
- **Python BootCamp 3.0**
- **AWS Fundamentals Workshop**
